

## May the Lord send angels

Refrain: May the Lord send angels,  
to guide you on your way.  
May His love surround you, day by day.  
May the Lord send angels,  
to save you from the night,  
wrap His arms around you  
and hold you tight.

1) Touch me Lord,  
I need to feel your love.  
Touch me with your blessings  
from above.  
When my mind  
gets tired and weary,  
and I seem to lose my sight.  
Help my heart believe  
that you're still by my side.

Refrain: May the Lord send angels,  
to guide you on your way.  
May His love surround you, day by day.  
May the Lord send angels,  
to save you from the night,  
wrap His arms around you  
and hold you tight.

2) Touch me Lord,  
I need your helping hand.  
Touch me Lord,  
I need to understand,  
why my feet  
get tired and weary,  
and I seem to lose my way.  
Send your angels down,  
don't let me go astray.

Refrain: May the Lord send angels...
